

Correctional Administration and Change Management (Hardback)

By Henderson, Martha Henderson Hurley, Dena Hanley

Taylor Francis Inc, United States, 2010. Hardback. Book Condition: New. 241 x 163 mm. Language: English . Brand New Book. Change is an inevitable part of any correctional institution, as new trends and initiatives constantly bombard the system. However, as budgetary constraints increasingly require correctional agencies to do more with less, a paradigm shift in the way they operate is imperative to ensure success. Correctional Administration and Change Management examines leadership, management, and organizational culture and how they apply to correctional agencies, enabling administrators to identify the changes that can be successfully implemented within the organizational context. The book begins by defining the construct of change management in corrections. It reviews management theory and discusses why change is so difficult in correctional environments. It also introduces the concept of organizational capacity and examines its importance. After providing this fundamental background as a starting point, the authors discuss: * The role of administration and guidance in driving and implementing change * The importance of effective communication * How correctional leaders can improve communication channels within their organizations * Information capital (the collection, access, and storage of facts and figures necessary for informed, data-driven decision making) * The human element of change...
