Is there too much drama in your life, you just can t refuse? It takes five easy steps to remove drama from your life, today, and enjoy a life, full of peace, full of joy, every minute of the day! I wrote this book to introduce you to your mistress, your drama queen, you know, the freak, who is behind all sorrow and ache. I wrote it to tell you that you have become her slave, she is the one, who is causing you so much grief and pain. By playing in your head a meaningless drama play, this is how she is messing up your life, now, this very day. She used to be so innocent and true! She used to be so innocent, adorable, and sweet, beautiful and care free, that s who she used to be. Since you chose to hide her deep in your being, she s turned into a drama queen, she s turned into a freak. She remained too long, buried deep in your heart, and ended up losing her innocence, beauty, grace and love. Now, she has become your drama queen, your mistress, and she is very mean, she became a frightening dream, instead of a loving being she used to be. With her terrible whip, a mistress and a freak, she became to be. She dominates, controls, and brings pain in every part of your being. Because you are at her mercy, you are unaware, you can t see, you don t know, you just can t tell, how you became her slave, how you now belong to her, how she controls you, causing...
