THE GENDARME

Xlibris Corporation. Hardcover. Book Condition: New. Hardcover. 296 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. In the aftermath of 9-11, New York City is attacked again. Foxley, a code-named detective on the verge of retirement, is sent by the mayor to Europe on one last unofficial assignment. He must track down those responsible for a suicide bombing that destroyed a police stationhouse. In Paris, he meets a beautiful Anglo-Caribbean ad executive and the duo pursue an action-packed quest through the streets of Paris, Bosnia and Marseille. Only when the pair find their target does Foxley learn of a catastrophic terrorist plot against the United States - and the true nature of his mission. The man came up the steps of the precinct stationhouse. He was alone. He walked straight into the lobby without looking around and went up to the plexiglas enclosed reception desk. A uniformed police officer passed him on the way out, and there were two civilians, a woman and her young daughter, seated in the waiting area which was behind a locked door with a large wire-reinforced window pane in the center. The man watched the police officer as he passed and joined a group of other cops standing on the steps outside. It was the beginning of the tour, as luck would have it. Other than the female police aide sitting on the other side of the plexiglas barrier, no one was near him. It was late afternoon and the four-by-twelve tour was going on duty and the daytime eight-by-four had already left, heading home or to their favorite watering hole. The summer sun splayed through the entrance doors and as he approached, the mans shadow suddenly silhouetted the police aide, causing her to look up. When she did, she saw him unzip the front of his...
