Based on the real - life history - mystery of the missing star from the Star Spangled Banner Set during the War of 1812: In the fall of 1809 Grace Wisher, a young slave girl, escapes the plantation to live her life in the port city of Baltimore, Maryland. She is indentured to Mary Pickersgill who teaches her the skill of sewing flags and standards. Yet Grace is hiding a terrible secret, one men will murder for even hundreds of years later. In the present, Keiko Zorben is finishing her masters degree by working as an intern at the Smithsonian Institute. While archiving mislabeled letters, she finds a clue to the whereabouts of the missing star from the Star Spangled Banner. For over two hundred years its location has been a real-life mystery, until now. Keiko asks the handsome Dr. Julian Lone Wolf, the head of the American Indian Studies Department, to join her on her search for the missing star. When a docent is murdered and an attempt is made on their lives, Keiko and Julian realize finding the missing star and the secret it holds, is their only key to survival. Great Story - Drama, Mystery, Action, History, Humor and Romance This is one of the most fun stories Ive read in a long time. I could not put it down and it all in one day. I loved how the author mixed present day with the past. Five Star Zon Reader Review The 15th Star has been described by readers as a mix of National Treasure meets 1776. Lisa Grace is also the author of the popular teen Angel Series. Angel in the Shadows, Book 1 and Angel...
