TECHNIQUES OF FINANCIAL ANALYSIS: A PRACTICAL GUIDE TO APPLIED MANAGERIAL FINANCE

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Financial analysis is an essential skill in today's highly competitive business world, where success is ultimately measured in cash flow terms. Even though computer spreadsheets have reduced the drudgery of financial calculations, it is critical that you understand and be comfortable with the meaning, context, and limitations of the key financial techniques and measures you apply to solving business problems of any kind. Techniques of Financial Analysis continues to serve as the...

Reviews

This publication can be well worth a study, and far better than other. Better than never, though I am quite late in starting reading this one. It has been printed in an exceedingly simple way and it is only soon after I finished reading through this book in which it really transformed me, altering the way in my opinion.

-- **Miss Alisa Toy**

This is the very best ebook I have got to study until now. This is for those who state there had not been a worth reading. You can expect to like the way the writer writes this book.

-- **Jeffrey Ritchie**

Absolutely among the best publications I have at any time gone through. It is definitely basic but shocks from the 50% of the book. I discovered this book from my friend and dad advised this publication to find out.
